

# Group 31 Team Meeting

14 April 2017 / 3:00 PM - 4:30 PM / Slack

## Attendees

Erick Brownfield, Ethan Dunham, Rena Griffiths, Erica Lee, Jessica May

## Agenda

### Introduction

1. Prior to working on the worksheets, we discussed questions related to the book and reading
2. We determined that we do not like the book and it is not very well made

### Collaboration Work Flow

1. We decided to use Slack for communication and Google Doc for collaborating on documents
3. We will continue to meet online on Friday at 3:00 pm, but are flexible depending on the project scope
4. We may also start using a video call platform to facilitate more complex discussions in the future

### Worksheet 0, 14, 15, 16, and 21

1. Compared our individual answers as a group and discussed the reasoning
2. Decided to put in user validation of if(b) to stop runtime errors on most functions
3. We compared our worksheet's code with Erick Brownfield's and raised any differences we had in our own completed worksheets
4. We adjusted Erick's code to be closer to code that the rest of the group shared and fixed any issues we found

## Action Items

1. Ethan Dunham to lead the worksheet minutes submission, with all other team members providing feedback

## Next Meeting Agenda

1. Provide feedback on the worksheet minutes, submit worksheets, add minutes to Piazza
